

Rusutsu App User Manual

1. **User Registration** **Important:** User registration must be completed on a **smartphone**. Registration is not available on PCs

Recommended Environment : For iPhone users: Safari, For Android users: Google Chrome. (This service is available in Japanese only. We kindly ask you to use your smartphone's translation feature.)

Registration Steps

1. Step 1: Access

Using your smartphone's web browser (Safari or Chrome), access: <https://app.rusutsu-ap.com>

2. Step 2: New Registration

Tap the **user icon** in the top-right corner of the screen. From the login screen, select **"User Registration"** to create a new account.

3. Step 3: Email Address Verification

Enter a valid email address and check the box to agree to the Terms of Use. After tapping the submit button, a verification email will be sent automatically. Enter the passcode shown in the email to complete verification.

If you do not receive the email, please check your spam folder.

4. Step 4: Passkey Setup

Set up a passkey using biometric authentication such as fingerprint or face recognition.

Once completed, registration is finished. Future logins can be completed using biometric authentication only.
